

Designed specifically to give maximum light output coupled with high operating efficiency and costs effectiveness, the ITL-200 range has been developed to operate in the harshest operating environments associated with commercial vehicles.

- ◆ 12v or 24v variants
- ◆ Non-switched version
- ◆ Resistant to knocks, bumps and vibration
- ◆ Fitted with ultra high-performance LED emitters, giving a 1500 lumen output
- ◆ Also available with PIR sensor
- ◆ Fully compliant with the external projections requirements for head impacts
- ◆ Fly lead electrical connection
- ◆ Reliable in extreme temperatures (tested between -30°C and +40°C)
- ◆ ECE Regulation 10 approved
- ◆ IP69K protection rating
- ◆ 2 year warranty

Part number(s)	391.ITL20012/24
Operating voltage	12v or 24v DC
Mounting	Surface mount
Type approval(s)	ECE Regulation 10
Weight	0.1kg approx.
Dimensions	350mm (W) x 15mm (D) x 100mm (H)
