**British Manufacturers of
Quality LED Lighting**

Dun-Bri Group

Auto-electrical excellence. Delivered.

Dun-Bri Group is an industry leader in the design, manufacture and supply of automotive electrical products, including beacons and lightbars, commercial vehicle lighting, wiring looms, workshop components and more.

For over 30 years, we have stayed ahead of the game by adapting our products and services to address changes in industry trends and legislation. We remain dedicated to meeting the needs of our diverse customers, including developing our own range of cost-effective lighting solutions...

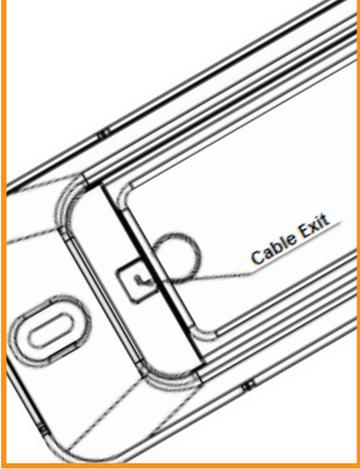

...Introducing the

PEGASUS RANGE INTERIOR PANEL LIGHTS

- » Built in Britain
- » Warranty cover
- » Ultra-bright LEDs
- » Low-profile design
- » E-type approved

design

Designed with a high impact aluminium or polycarbonate housing

Provides maximum light output coupled with high operating efficiency and cost effectiveness

Operates in the harshest environments associated with commercial vehicles

manufacturing

Circuit boards are manufactured with the latest technology

Wires are hand-soldered by our skilled engineers for secure connection

Lenses are bonded to the base

testing

Rigorously pressure tested to guarantee IP68

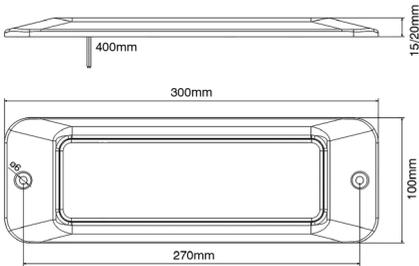

Tested for overheating to guarantee safe operation (-30° to +40°)

PIR motion sensor check completed in-house

Cleaned and voltage tested by our in-house quality control team to ensure the product leaves in pristine working condition

PEGASUS RANGE LED INTERIOR LIGHTS

300mm

British designed and manufactured in the UK

- » ECE R10 approved
- » Waterproof to IP68
- » Low-profile design
- » Warranty cover
- » Un-switched & PIR available
- » Smooth optical light output with high impact polycarbonate lens
- » Premium die-cast powder coated housing (Aluminium only)

Part Code	Lumens	IP Rating	Length	Material	Colour	Un-Switched	PIR
391.MTL200VW	1500	IP68	300mm	Aluminium	White	✓	
391.ITL200VV	1500	IP68	300mm	Polycarbonate	White	✓	
391.MTL201VW	1500	IP68	300mm	Aluminium	White		✓
391.ITL201VV	1500	IP68	300mm	Polycarbonate	White		✓

150mm

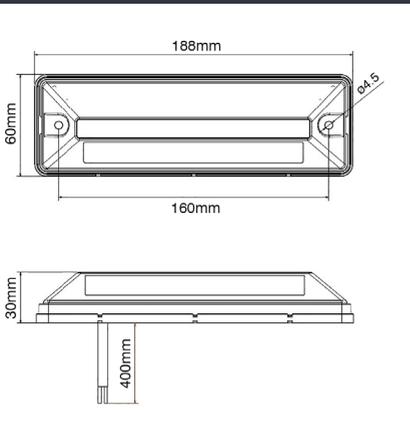

Part Code	Lumens	IP Rating	Length	Material	Colour	Un-Switched	PIR
391.MTL100VVV	750	IP68	150mm	Aluminium	White	✓	
391.STL100VV	750	IP68	150mm	Polycarbonate	White	✓	
391.MTL101VVV	750	IP68	150mm	Aluminium	White		✓
391.STL102VV	750	IP68	150mm	Polycarbonate	White		✓

- » Can be supplied with various connectors and cable lengths
- » Ultra high-performance LEDs
- » Extreme temperature tested (-30° to +40°)
- » Diffused super-wide optical beam
- » Resistant to knocks, bumps & vibration
- » Alternative colours available (Aluminium only)

COMPARISON TABLE	 Pegasus 300mm	 298mm	 Pegasus 150mm	 128mm
Lumens	1500	995	750	354
IP Rating	IP68	IP67	IP68	IP67
Voltage	10-30V	10-32V	10-30V	10-32V
Approvals	ECE R10	ECE R10	ECE R10	ECE R10
Technology	LED	LED	LED	LED
Material	Aluminium or Polycarbonate	Metal	Aluminium or Polycarbonate	Metal
Current Draw @ 12V / 24V	0.85A / 0.42A	0.75A / 0.38A	0.45A / 0.21A	0.22A / 0.12A

PULSAR RANGE LED EXTERIOR LIGHTS

British designed with efficiency and cost effectiveness in mind

- » Robust aluminium housing
- » Low-profile design
- » IP69K (highest protection)
- » Warranty cover
- » Ultra-bright light output
- » Maximum achievable angle of illumination

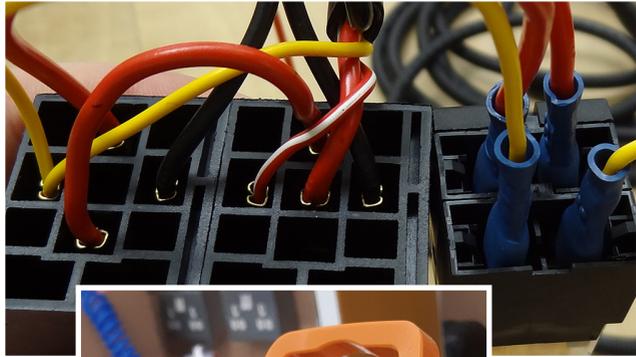

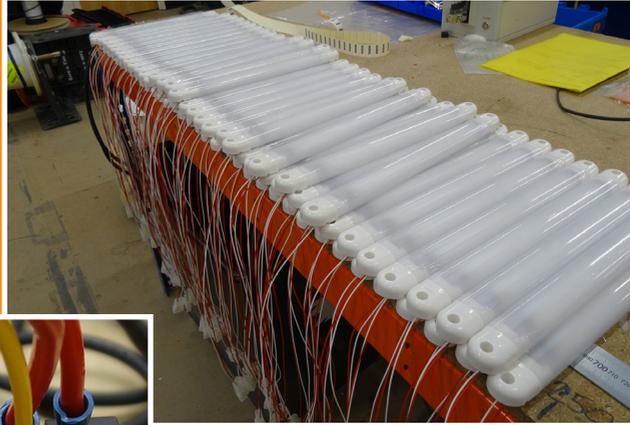

Part Code	Light Output	Voltage	Current Draw	Colour	Approvals
391.SCL10001	1500 lumens / 823 lux @ 1m	10-30V	0.99A @ 12V 0.53A @ 24V	Black	ECE R10 / IP69K
391.SCL10002	1500 lumens / 823 lux @ 1m	10-30V	0.99A @ 12V 0.53A @ 24V	White	ECE R10 / IP69K

Bespoke manufacturing is our speciality and we love a challenge...

Our Dun-Bri Engineering team comprises of experienced engineers, able to provide adaptations and modifications to a wide variety of products with wiring looms, connectors and assemblies

We offer a full design service from initial sketch and idea, through to completion

Our ISO 9001 certification & proven track record showcase our focus on quality throughout the production and distribution process

Simply put, any bespoke item you need, we have, or will find, the solution
