We're looking forward to working with you...

Nationwide coverage

Wherever you're working, with branches nationwide, and an unbeatable stock profile offering over 9,500 different products next day - we're never far away

Knowledgeable staff

With a wealth of experience in the industry, you can put your trust in our staff. We pride ourselves on our specialist knowledge when buying and specifying your vehicles, including ECE regulations; FORS; CLOCS; CAST and 'Chapter 8'

Competitive pricing

We'll set up prices that suit your business that apply wherever you buy from within the Group, coupled with some of the lowest delivery charges in the industry saving you even more

Whatever you need, you'll find it with Dun-Bri Group...

Stock and availability

We stock a massive range of products covering auto-electrical components; beacons and lightbars; work and interior lighting; cabling; reversing alarms; camera systems and accessories

All of the big brands you'd expect

At Dun-Bri Group, we have relationships with all of the big brand names you would expect. From a bulb to a beacon - it's all here and ready to order

Looking for something special?

It's no problem if you are looking for something, we don't currently stock. Just let us know your requirements and our specialist buying team can research your best options

With the Dun-Bri Group we can offer you more...

Dun-Bri Engineering

Since 2011, we have had a specialist division which can produce wiring looms and harnesses in-house. With an ever-expanding team of engineers, we can provide all of the components required including switching, panels and electrical accessories to simplify your installation

They also handle all enquiries for Lite-wire, a revolution in vehicle wiring using digital technology. You can find out more at www.dun-bri-engineering.co.uk/lite-wire

Dun-Bri Fit

We have a nationwide fitting service comprised of qualified and experienced auto-electrical engineers who can fit, service and transplant equipment from and to your fleet

Call us for more information or to book your fitting appointment
