

Designed with an incredibly tough die-cast aluminium housing, the PEGASUS range is designed with a high impact diffused polycarbonate lens for smooth LED illumination resulting in a premium product that provides users with “best in class” performance.

- » Un-switched or PIR versions
- » 150mm or 300mm lengths
- » Ultra-high performance LEDs
- » Diffused super-wide optical beam for improved illumination spread
- » Low profile design
- » Resistant to knocks, bumps and vibration
- » Premium die-cast powder coated aluminium housing with GORE breathing system preventing condensation
- » Easy installation & electrical connection
- » Suitable for use in vehicle cabin areas
- » Designed in the UK

Part Number	391.MTL101VVW
Features	PIR Sensor
Voltage	10-30V
Effective Lumens	750 Lumens
Light Colour	Cool White (6000K)
Housing Colour	White
Current Draw	0.45A @ 12V 0.21A @ 24V
Technology	LED
Mounting Option	Surface Mount (2 Screws)
Connection	Fly Lead (470mm cable)
Material	Housing = Aluminium Lens = Polycarbonate
Approvals	ECE R10
IP Rating	IP68
Item Dimensions	150mm (l) x 100mm (w) x 15mm (d)
Manufacturer's Warranty	2 Years
