FLY LEAD WIRING DIAGRAM

Supplied with 1.5m length of cable
Fuse and switches NOT supplied

MAGNETIC MOUNT OPERATION

Supplied with 1.5m length of cable

MOUNTING + FITTING INSTRUCTIONS

Carefully unpack and inspect the mini lightbar and all accessories before installing to ensure there are no damaged or missing parts.

Plan all cable routing before attempting installation and ensure voltage compatibility.

Mounting location must be a smooth, flat surface to ensure a secure fitting.

Mount centrally and ensure there are no obstructions limiting visibility to traffic.

Magnetic mount option comes with vacuum suction cups around the magnets for a secure, temporary mount.

Place and remove the mini lightbar without sliding, to avoid damaging the vehicle.

If the mini lightbar slides or moves easily, a proper installation has NOT been attained.

! CAUTION ! - Disconnect the battery before wiring up the mini lightbar to prevent accidental shorting and/or electrical shock.

! CAUTION ! - When drilling into the vehicle surface, make sure the area is free from anything that could be damaged, including any electrical wires, fuel lines, upholstery, etc.

! WARNING ! - Do NOT attempt to attach the mini lightbar to an ice-covered vehicle.

! WARNING ! - Do NOT exceed 50mph / 80kph when magnetic mount mini lightbar is attached. High speeds could cause the mount to fail.

MODULE LENS CLEANING

Occasional cleaning is recommended to ensure optimal light output.

Although tough, polycarbonate scratches easily, so take care when cleaning.

Clean lens with soap and water or a lens polish using a soft cloth.

! WARNING ! - Do NOT use solvents as they may damage the lens.

! WARNING ! - Do NOT use high-pressure washers or automatic car washers. This mini lightbar is rated IP65.

TROUBLESHOOTING

All mini lightbars are performance tested prior to shipment. However, should you encounter a problem at any time, please refer to the below table for repair solutions. Additional information may be obtained from the manufacturer if required.

Problem	Probable Cause	Solution
Mini lightbar does not function	Wiring error	Ensure mini lightbar wiring is correct and all wire connections are secure
	Blown fuse	Check wiring and fuse. Replace fuse
Incorrect flash pattern	Wrong flash configuration	Re-program the flash pattern

MANUFACTURER'S WARRANTY

Dun-Bri Services Ltd warrants that on the date of purchase this product conforms to the specifications (available on request). Dun-Bri Services Ltd further warrants that this product is free from defects in materials and workmanship for 24 months from the date of purchase. Dun-Bri Services Ltd will at its discretion, repair or replace any product found to be defective, subject to the Limited Warranty.

Damage to parts or products resulting from tampering, accident, abuse, misuse, negligence, unapproved modifications, fire or other hazard, improper installation/operation or failure to maintain in accordance with the reasonable maintenance procedures set forth in Dun-Bri Services Ltd's installation and operating instructions shall void the Limited Warranty.

Verbal statements or representation about this product made by salespersons, dealers, agents or other representatives do not constitute part of the warranty agreement. This Limited Warranty may not be amended or extended except by written agreement, signed by an authorised official of Dun-Bri Services Ltd, which expressly refers to this Limited Warranty.

EXCLUSION OF OTHER WARRANTIES

Dun-Bri Services Ltd offers no further warranties, express or implied. The implied warranties for merchantability or fitness for a particular purpose are hereby excluded and shall not apply to the product. The buyer's sole and exclusive option in contract, tort, or any other practice against Dun-Bri Services Ltd regarding the product and its use shall be the replacement or repair of the product as described.

LIMITATION OF LIABILITY

In the event of liability for damages arising from this Limited Warranty or any other claim related to Dun-Bri Services Ltd's products, the liability for damages shall be limited to the amount paid for the product at the time of purchase. Under no circumstances shall Dun-Bri Services Ltd be liable for lost profits, the cost of substitute equipment or labour, property damage, or other special, consequential, or incidental damages based upon any claim for breach of contract, improper installation or negligence. Dun-Bri Services Ltd shall not be liable for any claim even if Dun-Bri Services Ltd or its representatives has been advised that damages of this nature are sought. Dun-Bri Services Ltd shall have no further obligation or liability with respect to the product or its sale, operation and use. Dun-Bri Services Ltd neither assumes nor authorises the assumption of any obligation or liability in connection with this product.
