

12/24v LED Fly Lead ECE R10 2 YEAR WARRANTY

Combining cost effectiveness with efficiency, the ICL-500 range has been designed to provide a professionally engineered solution for vehicle interior lighting, whilst remaining highly affordable and incredibly durable. Suitable for both OEM and Aftermarket applications, every aspect has been developed to ensure extreme reliability, even in the harshest conditions. Perfect for vehicle cabin areas.

- » High output LEDs
- » Ultra-bright illumination
- » Opaque diffused lens for smooth cool white output
- » Un-Switched, PIR Sensor (3 mins) & Switched options (no moving parts, works with gloves)
- » Easy installation with fly lead connection (470mm)
- » Suitable for both OEM and Aftermarket applications
- » Fully compliant with the external projection requirements for head impacts
- » Developed for the harshest environments
- » Designed in the UK
