FIND BY PRODUCT TYPE

Interior Lights
Page 215

Whether adding to existing lighting, or starting from scratch, we have a huge range of LED interior lights from a range of manufacturers in a variety of styles
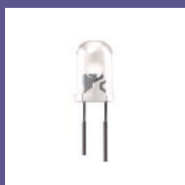

Strip Lights
Page 218

Ideal for large area internal illumination and many other applications, this range of LED strip lights will be sure to meet your specifications

PIR Switches
Page 223

Automate your interior lighting with this select range of PIR switches

FIND BY ILLUMINATION TYPE

LED

Our most extensive ranges of marker lights are in LED, with some brands being stocked exclusively in this technology which lasts longer, uses less energy to keep lit and is less susceptible to vibration

Bulb

While being replaced by newer LED models, we still sell a huge array of bulb marker lights which are stocked to allow for replacement of damaged lights as well as for new build projects

FIND BY BRAND

Dun-Bri Group®

Our own-brand range of commercial vehicle lighting is backed up by our incredible customer service, all of our lights are 'E' type approved too

■ Strip lights

Hella®

Known the world over for their manufacturing capability and reliability, our Hella stocked range is made up of the most popular products we currently sell

■ Interior lights

Labcraft

With full UK production, commitment to quality and environmentally friendly processes, they make an impressive range of lighting which won't cost the earth

■ Interior lights
■ Strip lights
■ PIR switches

LED Autolamps®

With an all-LED range of lights, they have become a contender to some of the longer established brands. All of their products have a 5 year warranty

■ Interior lights
■ Strip lights

Truck-lite®

Combining the brands Rubbolite, Truck-Lite and FER, we now have a huge range of LED and bulb marker lights for all applications in 12v and 24v

■ Interior lights

WAS

A new addition to Dun-Bri Group's range for 2017, they produce a stylish reliable & comprehensive range of vehicle lighting - all in full LED
