FIND BY BRAND

**Aspöck®**

Europe's leading manufacturer of lighting products for trucks and trailers. Look out for their complementary ranges of lighting throughout this section

**Britax®**

An established name in commercial vehicle lighting, Britax are part of the ECCO Safety Group and are focusing their new products on LED technology

**Dun-Bri Group®**

Our own-brand range of commercial vehicle lighting is backed up by our incredible customer service, all of our lights are 'E' type approved too

**LED Autolamps®**

With an all-LED range of lights, they have become a contender to some of the longer established brands. All of their products have a 5 year warranty

**Perei Group™**

From traditional bulb lights to the most up to date technologies, you can find an extensive range of Perei Group lighting products with Dun-Bri

**Truck-lite®**

Combining the brands Rubbolite, Truck-Lite and FER, we now have a huge range of LED and bulb marker lights for all applications in 12v and 24v

**Vignal®**

Well-known for their OE production of vehicle lighting for brands like DAF, Scania and Volvo, many of their lamps are also available to buy 'off the shelf'

**WAS**

A new addition to Dun-Bri Group's range for 2017, they produce a reliable, comprehensive range of vehicle lighting - all in full LED

For clarity, we have only listed the most commonly ordered ranges. If you can't find what you're looking for, require spares, or are unsure what you need, please call us for help and advice on **01763 274185**
