

The image shows the interior of a vehicle, likely a van or truck, with a focus on the front seats and dashboard. The seats are upholstered in a light-colored, textured fabric. The dashboard and steering wheel are visible on the left. The interior is dimly lit, with a soft glow from the installed interior lights. The text "Lampy oświetlenia wnętrza" and "Interior lights" is overlaid on the image. In the bottom right corner, two octagonal interior light fixtures are shown, one in front of the other, highlighting their design.
